We reviewed Harold's Treasurer's Report. Our cash flow is really tightening up and we have nothing left to spare. All offerings are gratefully appreciated.

We looked at our Stewardship Campaign and felt it is going well. During Commitment Sunday worship we will bring our Estimate of Giving cards to the altar ourselves and give them to God. The committee looked at and approved a follow-up letter Pastor Kären will send to those not returning their Estimate of Giving cards by November 23rd. The Committee will do thank you calls beginning December 14th.

The Trustees joined us and a Foundation meeting was called to order. Trustees present were Bill Travis, Roger Beau, and Tricia Floyd. The Foundation has interest money available to spend and three proposals were approved.

Roger Beau/Pat Floyd up to \$400 for tickets for the confirmands and chaperones to go to a TobyMac concert at UNI on December 4th

Marlyn Duncan/Pat Floyd up to \$500 for costumes and props for the upcoming Christmas programs.

Pat Floyd/Marlyn Duncan \$700 honoraria for Lori Ferguson for her leadership in directing the Bell and Christmas Choir worship program and the Children's Christmas Program.

In other business, Tricia Floyd reminded the Foundation that proposals may be forthcoming for repair work on the parsonage, such as paint and roofing. Roger and Bill will investigate and report.

Foundation meeting adjourned.

Finance Committee reconvened and the committee approved Ron to do a deposit ticket during the week of December 28th while Lori is off. The deposit will reflect December 24th and 27th worship offerings.

Marlyn volunteered to stay on the Finance Committee to fill one of the one-year terms. This will be brought up to Leadership Team for their approval.

There being no other business, the Finance Committee adjourned 7:18pm.
