

Love Committee Notes--December 6, 2009

All of the members of the Love Committee were present at the meeting on Sunday morning, December 6. Also, in attendance were Vicki Abernathy and Yvonne Burkhart, the new members who will be replacing Mary Hawk and Joan Hyde, beginning in January.

Joan brought to the group's attention the ideas that were presented by the Leadership Team at the November meeting concerning the delivery of tapes and CDs to shut-ins. It was decided to continue to deliver the few tapes of worship services to those who already are receiving them. We also agreed to have a sign-up sheet at the back of the church for anyone who would like to get an occasional tape or CD. Joan will put an article in the January newsletter concerning the taping ministry. Judy Finger will continue to copy the tapes and/or CDs following the worship services on Sunday or early Monday morning.

Members will be delivering Christmas gifts to our homebound and residents at the Lutheran Home and Virginia Gay Annex.

After discussing some of the duties of the Love Committee chairman, Sandy Lyons agreed to take that position for the coming year. Since she is unable to attend the Leadership Team meetings, Yvonne Burkhart agreed to attend those meetings.

It was decided that this committee would continue to meet on the first Sunday of the month between worship services. The next meeting will be January 3, 2010.
