There are still about 7 'apples' with children names available for prayer. Need to encourage prayer partners for them.

Those present prepared the stick-on pink ribbons for distribution for this coming Sunday Oct. 18. Estelle, Larry and Frieda will hand out the pink ribbons as parishioners enter and possibly the ABC's pamphlet and the mints as they exit. Jan and Frieda will distribute them at the second service. Two baskets were prepared. Other Breast Cancer items will be placed on the back table.

We need to think about a Bullfrog project for this coming year.

Meeting was closed in prayer.
